

Barwon Heads Primary School -18th June 2018

Want to come and join in our fun and engaging program?

A group activity and a healthy snack is provided daily and children get to take lots of wonderful things home that they make. Please come and visit us one afternoon in the OSHC room (science room, by the stadium) if you are interested. Alternatively you can call me on 0432 636 625 after 3:00pm. The program operates until 6pm.

What do we get up to in OSHC?

Everyday during free time the children get the opportunity to make their own art and craft things using recycled boxes, beading materials, and origami ideas. There are a wide variety of board games and construction resources on offer and we play sports outside or in the stadium....

Children have a healthy snack of fresh fruit and second snack which varies from biscuits, cheese and crackers, noodles, salad, beans on toast, sandwiches and more... Yum!

We all then do a 30 minute activity together, which is based on a theme of the week such as food and health, indigenous culture, winter, cooking etc.

Who got awards this month?

- Cluny** for her love of art and craft
- Samuel** for his great construction skills
- Mizuki** for always being kind to others
- Remy** for her beautiful manners
- Kaia** for her enthusiasm towards reading
- Lachlan** for always helping tidy up
- Ruby** for her love of art and craft

Well done, keep up the great work!
