

Barwon Heads Primary School -17th September 2018

What have we been up to this term?

This term we have been busy playing sports and board games; the children were really embraced playing with their friends and making new ones. The children had a great discussion about Science and enjoyed participating in science experiments. We learned a lot about sustainability and made some posters to create awareness about how everyone can help our environment.

The children have showed great responsibility in healthy eating this term, preparing yummy snacks and baking some delicious healthy muffins. Children showed initiative in reading the ingredients, finding them in the kitchen and measuring them all out independently.

During book week children loved reading in pairs, sharing stories and making bookmarks to take home. Then for Fathers Day children got creative making cards and picture frames for their dads and wrote some lovely, special messages for them too.

Sound like fun? Come and join us! 3.30pm to 6pm daily in the Science room

Who got awards this month?

Oliver for participating and encouraging others

Elsie for having a positive attitude

Nate for his beautiful manners

Zara for her great creative skills

Harvey for playing fairly with others

Iris for getting involved in all activities

Mavis for being kind to others

Well done, keep up the great work!

Jen, Coordinator
