Voluntary Contributions

Barwon Heads Primary School continues to welcome your voluntary contributions to support our school.

We would like to make note that with the implementation of the new Parent Payment Agreement, we have had to add to our Voluntary Contribution table because when the student does not take permanent ownership of items we are unable to charge a blanket cost for some curriculum items.

If you are able to add a voluntary payment towards some/all of our voluntary contributions, we would be most appreciative:

Voluntary Contribution	Tax deductible	Suggested Voluntary Contribution amount per student
<p><i>IT Equipment – Grades Foundation-5</i></p> <p>Students are no longer required to bring their own device to school. Families with students in Foundation to Grade 5 will instead be asked to pay an \$80 annual Tech Tool Fee. This will cover all devices required throughout the school year. Grade 6 have a different arrangement until 2022.</p> <p><i>2021 Purchases:</i> 42 Chromebooks 15 iPads Covers and Storage</p>	<p>No</p>	<p>\$80</p>

Your child will not be disadvantaged if you do not make a voluntary contribution. All records of voluntary contributions are kept confidential as well as your decision about whether to make a contribution or not.
