**Timetabling:** Each family will receive a Term timetable which clearly states when your child/ren will receive their lesson. If your child is in Prep to Grade Two then their lesson times will not alter. If your child is in Grade 3 to Grade 6 then your child's lesson will be still on the same day each week but at a different time each week. This is to ensure that your child doesn't miss the same classroom content each week.

**Make Up Lesson Policy:**

If your child is unwell and therefore misses their lesson we will supply your child with a pre-recorded video covering the content they missed out on.

**Resources:** Each student will have access to a wide variety of mini lessons direct from our Youtube channel. Your child's teacher will also recommend the right book to help facilitate your child/ren's development on their instrument.

We look forward to teaching your child/ren and helping them progress on their chosen instrument/s.
